WELCOME TO TCU

Dear Fraternity and Sorority Residents,

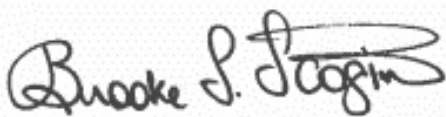

We are thrilled to welcome you back to TCU and for each of you to experience living in your respective chapter facilities- surrounded by your closest friends and nestled within the beautiful Worth Hills Village. We look forward to the year ahead, to fun events together, and to seeing our Village thrive.

Living in your chapter facility is one of the best ways to solidify your relationships with your fellow members and to truly experience the full spectrum of the membership experience.

From late night game nights or heart-to-heart conversations with your best friends to your respective initiation ceremonies, you will have so many opportunities to connect with one another and enjoy this shared living experience.

It is my hope that you look back at your time in our fraternity and sorority village with fondness and that the words of our alma mater come to life for each of you- that you experience mem'ries sweet, comrades true.

Welcome home, and GO FROGS!!

Brooke S. Scogin
Director of Fraternity and Sorority Life

NEED TO KNOW

ROOM ASSIGNMENT AND ROOMMATE COMMUNICATION

Visit the Housing Portal at my.tcu.edu to view details of your room, roommate(s), and Move-in time slot.

Some questions you should ask your future roommate(s) before moving in are:

- What are you bringing? What are you willing to share?
- Are you willing to pitch in to buy _____?
- Do you want to coordinate dorm décor?

DO YOU KNOW WHAT TO BRING AND WHAT TO LEAVE AT HOME?

Before you pack or ship items, be sure you know what to bring and what to leave at home. [Check out our lists here!](#)

UNIVERSITY FURNITURE/DECORATING

All university-issued furniture must remain in the room. Televisions may **not** be mounted to walls. Contact paper, corkboard, upholstery fabric, or wallpaper may **not** be used on walls, shelves, or furniture. No structural or electrical alterations (including the installation of partitions, room dividers, lofts, other structures, or ceiling fans) may be made.

Students can request bed rails at their hall front desk during Move-in. Housing staff will bring the rails to the student's room at their earliest convenience.

SHIPPING PACKAGES

Students can sign up for a TCU mailbox by going to www.tcupostoffice.com. Once students have their TCU mailbox, they can begin shipping items to that box. Deliveries are not received in the residence halls. The TCU Post Office will have limited hours of operation during move-in days. For updated hours of operation and other information, please call 817-257-7899 or visit their webpage at www.tcupostoffice.com.

MOVE-IN

Instructions

GET READY

Check your TCU email for your assigned move-in day and check-in time. **Print your Dash Pass to show our staff at Move-in. You must have your Dash Pass to go through the move-in process.**

ARRIVING TO CAMPUS

At your designated Move-in time slot, go to LOT 3 (off Cantey Street), and your time slot will be verified.

We will provide your Unloading Zone Pass to gain access to your designated unloading area. **You will not be able to access the unloading area for your hall without this Unloading Pass.**

If you are early, you will be directed to exit the line and return at your designated time slot.

CHECK-IN

You will then stay in your car to proceed to the Check-in tent. Our team will check you into your residence hall and verify your residence hall assignment.

READY TO MOVE

You're getting closer to your residence hall! After check-in, you will be queued up to go to your residence hall unloading zone. Once we have spaces available near your residence hall, you will be released to follow the directions on your unloading pass.

UNLOADING ZONE

Drive to your residence hall and unload your belongings. As soon as your car is unloaded, it **must** be moved to an approved parking lot/garage. Vehicles in the unloading zones will be permitted to be there for 10 minutes. This will keep the Move-in process traffic flowing steadily.

Just as others are respectful of your time unloading, please be respectful of those still waiting to get through to the unloading areas. We have several hundred cars to get through the Move-in process.

MOVE-IN

You may take as long as you'd like to get things moved and to get settled in your room, and are not limited to the 30-minute time slot.

There will be a limited number of move-in carts available. It is important for you to unload them quickly and return them to your chapter room, so they are available for other families.

The only approved moving companies to be in our residence halls are:

- Pony Up Moving
- Storage Scholars
- Storage Squad

If our team sees other moving companies in the halls, they will be asked to leave campus immediately.

A SUPPORTIVE STAFF

Graduate HALL DIRECTOR (HD)

Graduate Hall Directors live and work within our chapter facilities and are currently pursuing graduate degrees at TCU. Their primary responsibilities include building relationships with residents and RA staff to support our residential community and through that elevate the entire fraternity and sorority experience.

RESIDENT ASSISTANT (RA)

RAs are undergraduate students who have been selected on the basis of their ability to communicate, willingness to accept responsibility, enthusiasm to help others, and familiarity with the University. RAs work to establish and maintain a living environment conducive to a successful educational experience, as well as being a resource to students. RAs in the fraternity and sorority facilities are members of their respective organizations.

A message regarding the removal of TCU-owned furniture

As we strive to create a comfortable and supportive living environment for our students, we would like to remind you of an important policy regarding the furniture provided in our residence hall rooms.

All furniture provided by TCU is an essential part of the living space, carefully selected to meet the needs of our students and to comply with safety and regulatory standards. **We kindly ask for your assistance in ensuring that you understand the importance of not removing or relocating any TCU-owned furniture from your residence hall space.**

The furniture provided meets specific safety standards and regulations. The consistency of furniture across all residence hall rooms helps maintain a standard of living for all students, and we are able to maintain the integrity of the items we provide to students. Ensuring that the furniture stays in the room helps us provide a consistent living experience for everyone.

We want you to feel at home in your residence hall, and we encourage you to bring items to personalize your space. This could include specific decorations, framed photos, curtains, etc. Please **[review the Dean of Students website.](#)**

Please reach out to the Fraternity and Sorority hall staff if you have any questions or concerns. Thank you for your understanding and assistance in maintaining a safe and comfortable living environment for all our students.
